SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. 1.97

Sir:

Applicant is submitting copies of Forms PTO-1449 (XIII and XIV) citing references that may or may not be "material" pursuant to 37 C.F.R. § 1.56. These references are simply submitted in the interest of maintaining a complete record. At least certain of these references (those listed in Forms PTO-1449 captioned Supplemental XIV) were recently cited by an accused infringer (Verizon) in a litigation that is pending. The references listed in Forms PTO-1449 captioned Supplemental XIII were cited in a reexamination proceeding with respect to another patent to Kamil et al. Applicant respectfully submits that none of the references here impact the claims that are at issue, but the Examiner is respectfully requested to make an independent determination.

The submission of these documents by Applicant should not be construed as an admission that any such patent, publication or other information referred to in these

documents is material or considered to be material (37 C.F.R. § 1.97(h)), or even qualifies as “prior art” under 35 U.S.C. § 102 with respect to this invention, unless specifically designated by Applicant as such.

The filing of this Information Disclosure Statement should not be construed to mean that a search has been made or that no other material information, as defined in 37 C.F.R. § 1.56, exists.

This Information Disclosure Statement is being filed in accordance with 37 C.F.R. §§ 1.97 and 1.98. A check in the amount of \$180.00 to cover the fees designated by 1.17(p) is included. The Examiner is hereby authorized to charge any deficiencies or any additional fee required by this paper to A2D L.P.’s Deposit Account No. **50-1636**.

Dated: July 14, 2003
